### **About the 2017 Camps**

Basketball is a skill sport of "unnatural" habits, and it takes time, patience, and repetition to build them into natural habits. We work to teach those and show the kids how to continue developing them on their own. Once kids learn to become "their own coach," the sky is the limit!

With our younger players, the focus is on the basic skills and fundamentals, plus competitions to make it fun, as well as teaching them to learn the basics to function as a team and the importance of team over self.

With our older players, we introduce them to our offensive and defensive systems, and advance the skills a few levels teaching them to be their own coach in many of the drills.

### **PRIVATE LESSONS for summer 2017**

R2H training and skills development

-By UIL rules, a HS coach can only coach any of his players or future players one week out of the summer if they will be entering the 7<sup>th</sup>, 8<sup>th</sup>, or 9<sup>th</sup> grade, and none if they are entering the 10<sup>th</sup>, 11<sup>th</sup>, or 12<sup>th</sup> grade.

-However, any student younger than that is ok to receive lessons or coaching from their local coaches.

-If you are interested, we would love to help. Small groups work best, from 6-10 kids. Four is usually the minimum allowing them to get reps in live situations.

**About the Lady Roo Basketball  
Program**

The Lady Roos just completed their sixth season under Coach  
Shearmire, going 21-11 and a 10-2 district record, which placed  
the Lady Roos as District runner-ups. The Lady Roos lost a  
heartbreaker in the bi-district round in overtime to Arlington  
Martin. This is the fourth post-season appearance in six  
seasons for the Lady Roos with a 22-4 in district record over the  
past two seasons.

The Lady Roos added another player to the college ranks this  
season with Vasha Moore signing to play with the University of  
Saint Thomas in Houston. That is three players in the past two  
years advancing to the next level.

The Lady Roos graduated 6 seniors this past season leaving  
just 3 returning from last season. Junior Anna-Jefferson Polk  
was a unanimous selection as the District 3-6A Defensive Player  
of the Year. Iyana Dorsey was named District 3-6A Newcomer  
of the Year. Grace Ferguson and Vasha Moore were named to  
First Team All-District, and Camri Shearmire and Allie McMurry  
were named to Second Team All-District.

The entire team this past season was Academic All-District,  
continuing their commitment to the classroom, with almost all  
girls in multiple advanced placement classes. The Lady Roos  
expect to be at the top of their classes and have not had any  
failures in the past six seasons.

Making it to the varsity level here has grown tougher over the  
past five seasons, and to compete at the level these girls do  
there must be a commitment to the game beyond just the  
regular basketball season. These girls play in spring and fall  
leagues, as well as shootouts and team camps over the spring  
and summer.

The Lady Roos will reload for the 2017-18 season, and rely  
heavily on Senior Anna Jefferson-Polk to lead this team as we  
compete for the district championship. It will be a new look as  
young players step up to make next year a successful season.
