

## Coach/Student Communication Waiver

Communication has become increasingly easier between coaches and athletes due to the fact that most student athletes carry cell phones with the ability to text. To ease communications with team members, our coaches would like to have the opportunity to text pertinent information—changes in practice, game time, team pictures, uniform color changes, etc. Signing this waiver will grant WISD coaches permission to call or text important information to your student at the number you provide on this form. Any inappropriate communication by a coach should be reported to the Executive Director of Athletics, Richard Scoggin.
