

Permission to Ride Home

Kangaroo Athletes

"Procedure for taking an athlete home from an extra-curricular contest"

A member of a team sport should ride on the bus to and from every game. We realize that there are sometimes extenuating circumstances. The following procedures must be adhered to in order for a legal parent or guardian to take their student athlete home with them from a contest. If this procedure is not followed the student athlete must ride home from the contest with the team.

1. Fill out the bottom of this page making sure to sign and date the indicated areas.
2. Take the form to the office first thing in the morning and leave with a secretary to be signed by a principal. A principal will not sign a form that has not been completed.
3. After the game, check in with your coach before you leave with your parent.
4. If the above procedure is not followed then the student must ride home from the contest with the team on the bus.
5. Upon completion, form will be given directly to the coaches.

Name of Athlete (PRINT) _____

Game you will be riding home with parent from _____

Date of game _____ Reason for leaving with parent _____
