

July 31, 2012

Dear Nutrikids POS Customer,

Later today we will be emailing parents in your district to let them know about the transition of their MyNutrikids.com account to mySchoolBucks.com for online payments. A copy of this message is shown below:

PARENT NOTIFICATION EMAIL FROM MYNUTRIKIDS.COM

Dear MyNutrikids.com User,

We have great news! In our continuing effort to provide the highest level of service to you, over the next 45 days we will transition MyNutrikids.com to mySchoolBucks.com for your online school meal payments. This website provides a number of key features you will find beneficial including:

- Scheduled recurring payments
- Automatic deposits when your child's account balance runs low
- Extended purchase history for the past 90 days
- Low balance email notifications

For now, continue to use MyNutrikids.com, where you will be automatically redirected to mySchoolBucks once that site is available to you. You will receive an introductory email message from mySchoolBucks that provides basic instruction on how to use the website.

Your existing username and password for MyNutrikids.com will remain the same at mySchoolbucks. You should experience little or no interruption during this transition.

The convenience fee for cafeteria account deposits will be \$1.95, which will cover all deposits made within a single transaction. To help answer some of your questions about this transition, we compiled a list of commonly asked questions in the provided link below:
