

How to Enroll in Weatherford Independent School District

Parents/Guardians of students new to WISD should contact the registrar at the neighborhood school as soon as they are settled in Weatherford. To determine your elementary and/or middle school campus, please use the [campus locator](#) link our website.

Students who attended Weatherford schools in the prior year do not need to re-enroll. Secondary students will need to pick up schedules on schedule pick up days at the secondary campuses. More information about schedule pick up, dress codes, and supply lists can be found on the school web pages.

Students moving into the District from another district or state will need a copy of their last report card, immunization records, proof of residence (such as a utility bill) and Social Security card. Students new to our district may register at the campuses in August; pre-registration for kindergarten and pre-kindergarten is available in the spring and summer. A child must be age 5 by September 1 to enter kindergarten and age 6 to enter first grade.

Steps to Enroll a New Student:

Step 1—Determine the student’s eligibility

Children age 5 by September 1 and not 21 years of age on the first day of school are eligible for enrollment. More information: [Texas Compulsory Attendance Law](#).

Step 2—Identify and contact the school

You should register at the child’s local school. To determine which local school serves your specific address, please use the “[campus locator](#)” tab on our homepage: www.weatherfordisd.com

Step 3—Fill out enrollment papers at the child’s school.

Parents registering a child must provide proof of age, identity, residency in WISD, and immunizations. Students who have previously attended school should bring their latest report card, if available. Students receiving special education services should bring a copy of the student’s current Individualized Education Plan (IEP).

Pre-Kindergarten Information

In Texas, public Pre-Kindergarten is a compensatory program. This special program is offered only to children "at risk" of not being successful in kindergarten, rather than a universal program offered to all four year old children.

Pre-K is offered at four Weatherford ISD elementary campuses—David Crockett Elementary, Bose Ikard Elementary, Juan Seguin Elementary, and Bill W. Wright Elementary. Bilingual Pre-K is offered at David Crockett Elementary, Bose Ikard Elementary, Juan Seguin Elementary, and Bill Wright Elementary Schools.

Qualifications for Pre-Kindergarten

To enroll in the Pre-K program, children and their parents must meet the following criteria:

1. Child must be four years old on or before September 1
2. Each Pre-K campus must serve its own attendance zone first and a proof of residence (current lease or utility bill) is required.
3. If the child is living with a guardian and/or has been removed from the home by Child Protective Services or other agency, there must be documentation for this.
4. The children/family must meet one of the following eligibility criteria:

- The family meets the National School Lunch and Child Nutrition Program Income Eligibility Guidance (verification of income such as 1040 Form or W-2 form from the previous year is required), or
- The child must be enrolled in Head Start, or
- The child speaks a language other than English and is considered as Limited English Proficient through a state approved test administered by the testing center, or
- The family meets the criteria of “homeless” or

Enrollment Requirements:

When a family goes to enroll the child at the Bowie Learning Center (formerly Bowie Elementary School) located at 900 N. Elm Street, the following will be required:
